## **Summary of Activities – August 2008**

Arranged for Washington congressional staff of members representing St. Charles Parish to visit during the August recess. On two separate occasions during the month we accompanied staff to Parish offices and all council members were invited to the brief. During the first visit Tanner Johnson, projects director for Senator Landrieu and Chris Debosier, Legislative director for Congressman Charlie Melancon and on second visit Charles Brittingham, projects director for Senator Vitter and Megan Bel, Legislative Director for Congressman Steve Scalise came to parish offices and briefed council members on activities in Washington and explained the appropriation process and how the parish might better position themselves to receive federal funding in the future.
